Wishing you a Merry
Christmas & a Happy
New Year

Wishing all our clients, suppliers, friends and colleagues a very Happy Christmas and prosperous New Year.

We have had a great year being busy throughout, workload has been varied with projects ranging from standard topographic surveys, measured building surveys, specialist laser scanning jobs and a good quantity of river and railway surveys taking us up to the end of year and also into January and February.

We have also become associate members of The Survey Association and look forward to participating in TSA events, workload allowing!

Looking forward to a break over Christmas and back to the hard work in the New Year!

Merry Christmas everyone!
